

EMPLOYMENT OPPORTUNITY

SECURITY GUARD

(Part-time, Call-in)

THE COMPANY

Eastern Safety Services provides many products and services such as first aid and safety training throughout the Province of Newfoundland and Labrador. We are a leader in delivering the Emergency Medical Responder – Ambulance program to the EMS system. In addition, we supply first aid, medical and industrial supplies to EMS, home care supplies across the province.

DUTIES

Reporting to the Manager of Security and Protective Services at Eastern Safety Services, the **Security Guard** provides support to the Manager on matters pertaining to customer service, security issues, daily and weekly reports and health and safety matters.

Eastern Safety Services is seeking highly motivated team players who possess strong leadership abilities, from a wide range of backgrounds. All applicants are expected to reflect the core values of our Company (integrity, honesty, professionalism, compassion, respect and accountability). Eastern Safety Services offers an exceptional career, letting you make a real difference in your community. No other company in the province provides the levels of services and variety offered by Eastern Safety Services, as well as opportunities for continued learning and growth.

During your application process you will be required to provide certain documents such as criminal record screening. Eastern Safety Services Security Guards must be of good character. As a Security Guard, you will have a significant role in building and maintaining the public trust by upholding the highest ethical standards both while performing your duties and while you are off-duty.

Based on specific site posting, you will be required to log and report all incidents reported by clients or that was observed during your shift. Depending on the site, you will be required to patrol interior and exterior of protected areas preventing unauthorized entry; when required, in a composed professional manner direct individual initiating disruption to leave the premises. While on patrol, you will monitor risks such as unlocked doors, blocked entrances and exits, mechanical issues, hazardous material and additional breaches of security. You are experienced in the use of a 2-way radio use and professionalism. You will be expected to respond to alarms and emergency calls for assistance and monitoring situations, cameras, property and events. Communicate in a truthful and receptive manner under all circumstances as well as provide information regarding the site as requested by the client.

You will be expected to sustain effective relationships with clients and visitors through with courteous and respectful relations perceived from their viewpoint. You will be expected to monitor and screen visitors and clients in a professional manner in order to grant access to the client's property.
